## Adjustment of usage fee check-in at Zurich Airport (LSZH)

The expansion of the check-in infrastructure with machines for self-tagging leads to additional costs, therefore the check-in usage fees at Zurich Airport have to be adjusted. This publication is made in accordance to Art. 46 Para. 1, Ordinance on Airport Charges (OAC).

The adjusted usage fees rates for check-in counters will be charged as follows (CHF):

<b>Check-in counter, flexible use (per counter and minute)</b>	0.19
<b>Check-in counter, fixed use (per counter and day)</b>	114.00

Table 1 rates in CHF for check-in counters

The adjusted fees will be valid one month after commissioning the first units. The debtor for the usage fee for the handling desks is the handling agent that is allocated the respective desk.<sup>1</sup>

The financial and mathematical principles used in the calculation for the check-in usage fees within the meaning of Art. 46 Para. 1 OAC are available by email at [matthias.brodbeck@zurich-airport.com](mailto:matthias.brodbeck@zurich-airport.com).
