Samedan Airport (LSZS): Consultation on Airport charges

Consultation in accordance with Article 41 of the Ordinance on Airport Charges (SR 748.131.3) on the adjustment of noise charges effective 1st April 2027 as a result of the reclassification of jet aircraft into noise classes.

Noise classification and tariff levels constitute an integrated charging mechanism; accordingly, the adoption of the Zurich noise charge schedule approved by the Federal Office of Civil Aviation (FOCA) ensures that, following the reclassification of jet aircraft into noise classes, the resulting charging effect remains aligned with the originally intended relationship between noise class allocation and charge levels.

Changes to Noise-related landing charge (ref. GEN 4.1- 64 § 10.2.2.3.3).

Noise Class	Previous tariff:	New tariff:
	Charges in CHF (excl. VAT)	Charges in CHF (excl. VAT)
I	5'000.00	800.00
II	3'000.00	400.00
III	2'000.00	200.00
IV	500.00	100.00
V	exempt of charge	exempt of charge
